

TWO PAPAS' GOLF OUTING

Caring for Caity

Living Life One Heart Beat At A Time

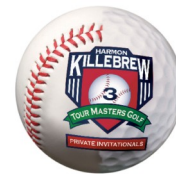

Caitlyn May White

*Sid White and Harmon Killebrew have a lot of things in common, one being a love for golf and another is their love for their granddaughter, Caity. Caitlyn May White of Gilbert, Arizona celebrated her 9th birthday this year in the ICU at St. Joseph's Children's Cardiac Hospital. Caitlyn was diagnosed with Dilated Cardiomyopathy with WPW Syndrome 2 weeks before her birthday. Until then Caitlyn appeared like any other normal, giggly, loving little girl enjoying her family, school and Girl Scouts. Caitlyn has to wear an AED life vest all day every day in case her little heart stops. If the medications don't work she will need a heart transplant. **Please help us raise money for Caitlyn's care and medical treatment** by joining us for a LIFE SAVING day of fun and Awesome Killebrew Root Beer Floats!*
